this study is more about what the fifth and sixth trumpets of revelation are not rather than what they are after all it is premature to speak of what they are when the generally accepted

view is built upon a platform of error it is this fog of error that must first be lifted before we as a church can move forward united in our message to the world as we rightly present the warning messages of the trumpets of revelation to a dying world this study comes at a critical time as the sixth trumpet of revelation has its application in force in this present period of earth's history and will continue so until the close of probation as we will prove the seventh trumpet of revelation as will be shown is when Jesus receives his kingdom the administration of the seven last plagues will follow climaxing with the second coming of Christ in the clouds of heaven

the church may appear as about to fall but it does not fall it remains while the sinners in Zion will be sifted out the chaff separated from the precious wheat this is a terrible ordeal but nevertheless must take place the remnant that purify their souls by obeying the truth gather strength from the trying process exhibiting the beauty of holiness amid the surrounding apostasy Ellen G. White letter 55 Dec 8 1886 written from Basel Switzerland to G. I. Butler and S. N. Haskell dear reader does the prophetic guidance just quoted strike you as being just a tad scary if you have been paying close attention lately a movement has been steadily but stealthily building over the past several years and is now dangerously close to reaching groundswell proportions in the North American division and beyond this movement would accomplish the objective of ordaining women as full fledged ministers of the Gospel are you concerned is there anything you could or should do about it before you answer please take the time to read through this little book

two men in the field one is taken the other left in Matthew 24 Jesus Christ reveals who the lost and the saved will be at the end of time but what did he mean when he said that some would be taken and some would be left for ages prophecy teachers have offered contradictory explanations of this enigmatic passage the popular rapture theory for instance says that those who are left are the unbelievers others say differently but how can we know if one position or another is truly supported by scripture typically this debate centers exclusively on the context

of the passage yet in this case context alone can be twisted any number of ways that's why in this timely study theologian stephen bohr approaches the issue by walking through both the old and new testaments to examine how the people in jesus time and throughout the bible would have understood these terms step by step he builds an ironclad case that will carry you to a carefully researched conclusion that you can trust giving you a powerful foundation that will help open up bible prophecy to you like never before

the cambridgeshire country house at the centre of a secret mission to stop hitler's a bomb

pastor bohr continues his detailed verse by verse study of the book of revelation by examining the meaning of the symbols used to describe christian church history found in the seven seals of revelation chapters 4-7 those who desire a clear thorough informative and uplifting interpretation of revelation's mysteries will not want to pass this set by many christians believe that almost everything written after revelation chapter 3 applies only to the jews and others who are given a second chance after the church has disappeared in the secret rapture this can lead to some very serious errors and leave one unprepared for the times ahead pastor bohr shows clearly how these sections throughout the book must have a repetitive cyclic flow similar to the style of daniel as well as having an overall historical flow that is fulfilled from the time of john the revelator up to the end of time and therefore these prophetic chapters are filled with events in them that pertain to our day

in the san francisco nexus in world war ii freedoms found liberties lost and the atomic bomb meza tells the story of important events in the san francisco bay area that have consequences still felt to date he traces the invention of the atomic bomb from a speculative design for a nuclear weapon sketched on a chalkboard at berkeley by theoretical physicist robert oppenheimer and helped made real by big science that was pioneered by his friend and colleague experimental physicist ernest lawrence during this time black americans migrated to san francisco to escape the jim crow south finding new freedoms good jobs and a leader in a singer turned welder named joseph james meza shows how james fought for and won an end

to segregation in his union taking a large step toward the civil rights movement at the same time japanese americans were forced from their homes by a tragically misguided presidential executive order upheld by the us supreme court illustrating the fragility of liberty in america these events continue to shape the world today

pastor bohr explains the day for a year principle the daily of daniel 7 the 2520 non prophecy and revelation 17 website

a great tragedy is facing the remnant church as the protectors of god s end time truth have begun to waver on the teachings that brought them a new powerful understanding of the bible and prophecy pastor stephen bohr now uncovers the dangers lurking within the sabbath keeping church that seek to divide and conquer god s people crippling their ability to faithfully share the last day message with the world and driving them onward toward compromise and apostasy learn the methods that satan is now using to call the faithful out of god s end time church methods that are already popular with churches compromising truth and peddling a soft gospel message that fail to truly transform lives for the heavenly kingdom this mighty call to arms will cover you with truth and the armor of god so you can stand true even against great peer pressure and opposition and be a bright beacon of light so that others will remain united under the powerful banner of the full and eternal gospel

the book of daniel is a difficult study for even the eager bible student but its importance to the evangelical church is indisputable especially regarding eschatology many times its content is randomly selected to formulate man made narratives about the end times that create confusion and misinformation in the church how to read daniel is essential for understanding its theological power especially its predictive prophecy this project will demonstrate its past fulfillments its influence on jesus first century attempts to save israel and how it has been manipulated to assert false eschatological predictions understanding daniel s appointed time is criucial to its message

a detailed study of revelation chapter 12 13 which is a continuation of pastor bohr s ongoing series of studies in revelation

this book covers the entrance of sin into the world and how mankind lost their god given robe of light and righteousness and became spiritually naked but as soon as man sinned the plan of salvation that had been conceived since the foundation of the world was put into effect god had adam see for himself what sin costs by killing innocent lambs to make skins to cover their nakedness instead of the fig leaf garments they had made for themselves thus showing that we have no power to clothe our nakedness of sin and only the death of christ the lamb can do so pastor bohr also discusses how sin is the cause of all the psychological and marital problems in the world today because adam and eve experienced fear shame and guilt and were shifting the blame for their sin he shares how the glorious promise of genesis 3 15 gave them hope that a seed would come who would destroy the serpent but would have to suffer in doing so but there would be a long struggle coming that began with the loss of abel as satan tried to prevent the seed from coming and having failed to do that revelation 12 expands genesis 3 15 and shows how the serpent s fight will continue to the end against those god is saving purifying and preparing to take home with him genesis 3 15 is the seed code for the rest of the bible and its history of the struggle between the woman her seed and the remnant of her seed against the devil and his seed
